

LEAVE A LEGACY®
Partner License Agreement

Partnership for Philanthropic Planning®
LEAVE A LEGACY® & Sunrise Design Trademarks
RIGHT OF USE AGREEMENT

The purpose of this agreement is to provide clear and consistent requirements for the use of the “LEAVE A LEGACY® & Sunrise Design” trademarks (hereinafter individually the “Mark” or collectively “Trademarks”) by member councils, other coordinating organizations, partners and sponsors (collectively “Partners”) of LEAVE A LEGACY® programs (“Programs”) to promote a consistent image and message. The undersigned LEAVE A LEGACY® partner agrees to the following:

All rights, title and interest in and to the Trademarks are owned by the Partnership for Philanthropic Planning® (“PPP”). The Trademarks can only be used in connection with Programs registered with PPP. The **Partnership for Philanthropic Planning of Rhode Island** (the “Sponsoring Organization”) sponsors LEAVE A LEGACY® program of Rhode Island, which is such a registered Program. The registered Program authorizes the use of the Trademarks by the Partner in connection with the registered Program. The Partner agrees to submit to the Program samples of all advertising and promotional materials, whether written or electronic, containing any of the Trademarks. A single organization or multiple chapters of affiliates of a single organization cannot use the Trademarks other than as a partner in the registered LEAVE A LEGACY® program.

Descriptions and Use of Trademarks

The Partner agrees to comply with the standards of quality for usage of the Trademarks as set forth in the “Guidelines for Use of LEAVE A LEGACY® & Sunrise Design Trademarks” (“the Guidelines”). A Partner may request that the Program review any intended use of the Trademarks to ensure compliance with the LEAVE A LEGACY® graphic standards.

PPP has the right to amend the Guidelines from time to time and to terminate this agreement in its sole discretion. Any alteration of the standards of quality prescribed by the Guidelines must be approved in writing by PPP.
